

AN ANTICIMEX COMPANY

Date: 17th August 2022

Media Release

Flick Anticimex grows its market share in the ACT through the acquisition of Canberra Pest Control (“CPC”)

Flick Anticimex continues its acquisition initiative in 2022 through the acquisition of CPC and strengthens the local operations in Canberra, ACT across the residential and commercial service sectors.

CPC is led by Bernard Dunne, who has been running the business for over 20 years. During this time Bernard has grown the business to be a brand name with a strong reputation in the ACT both amongst the residential and commercial customer base.

Bernard Dunne, owner of Canberra Pest Control commented:

Firstly, we would like to thank our team, suppliers, and customers for being part of our business for the past 20 years. Our success and achievements are because of our passion to deliver. Joining Flick Anticimex represents for us a great opportunity. Being part of Flick, leveraging from their international experience as part of Anticimex Group, will allow us to further improve the quality level of our services by developing alternative and preventive SMART pest control solutions and offering Flick Home Protection. I am also pleased that our employees will be able to take advantage of new possibilities by being part of this growing global organisation. I am very proud of the success that our family-owned business has achieved, thanks to our team and to our customers.

Shaun Coe, Regional General Manager – VIC / NSW Region, Flick Anticimex commented:

“I am very happy and enthusiastic about this merger as Canberra Pest Control is a renowned and well-run business based in the ACT. We are all looking forward to working together with the team, as their culture of excellence toward employees and clients aligns naturally with the way we do things at Flick. Combining our decades of experience with the latest technological innovations will result in an even better customer experience.”
