

AN ANTICIMEX COMPANY

Date: 10th July 2023

Media Release

Flick Anticimex grows its market share in Perth through the acquisition of Champion Pest Control

Flick Anticimex continues its acquisition initiative in 2023 through the acquisition of Champion Pest Control. This acquisition strengthens the local operations in North Perth, WA, across both the residential & commercial service sector.

Located in North Perth, WA and operating within approx. 70km radius surrounding its main office located in North Perth, Champion Pest Control is led by Crise Bilesouris and John Papanoum who have been running the business for 50+ years. During this time Crise and John have grown the business to be a brand name with a strong reputation in North Perth WA, particularly amongst the commercial customer base.

Crise Bilesouris and John Papanoum, Directors of Champion Pest Control commented:

"We are excited for the opportunity to join Flick Anticimex as it represents great opportunities for us and our team. We would like to thank our past and present team, as we wouldn't have built our business to where it is today without them. It was important for us to join a company with the same passion and level of customer service. We look forward to offering our customers the latest innovative digital sustainable pest control solutions. We are very proud of the success that our business has achieved and look forward to the exciting opportunities ahead."

Parmindar Matharu, Regional General Manager – West Region, Flick Anticimex commented:

"I am very happy and enthusiastic about this merger as Champion Pest Control is a renowned and well-run business based in North Perth, WA. The relationships with residential & commercial customers formed by Crise and John over many years have contributed to the success of Champion Pest Control. We look forward to working together with the Champion Pest Control team to continue a tradition of outstanding customer service and combining decades of experience with the latest technological innovations to deliver an even better customer experience."
