

AN ANTICIMEX COMPANY

Date: 14th March 2022

Media Release

Flick Anticimex strengthen its position in the Sunshine Coast through the acquisition of Cooroy Pest Control (“Cooroy”)

Flick Anticimex continues its acquisition initiative in Queensland. The acquisition of Cooroy strengthens the local operations in the Sunshine coast of Queensland especially within the residential termite and general pest services.

Cooroy is currently led by Shane and Lorna O’Donnell, who have been running the business for over 18 years. During this time Shane and Lorna have grown the business to be a brand name with a strong reputation in the Noosa Hinterland .

Shane O’Donnell, Managing Director of Cooroy Pest Control commented:

Firstly, we would like to thank our team, suppliers, and customers for being part of our business for the past 20 years. Our success and achievements are because of our passion to deliver. Joining Flick Anticimex represents for us a great opportunity. Being part of Flick, leveraging from their international experience as part of Anticimex Group, will allow us to further improve the quality level of our services by developing alternative and preventive SMART pest control solutions and offering Flick Home Protection. I am also pleased to offer to our employee’s new possibilities offered to us being part of this growing global organisation. I am very proud of the success that our family-owned business has achieved, thanks to our team and to our customers.

Stephen Smith, Regional General Manager – North Region, Flick Anticimex commented:

“I am very happy and enthusiastic about this merger as Cooroy is a renowned and well-run business based in the Noosa Hinterland and Sunshine Coast. We are all looking forward to working together with the Cooroy’s team, as their culture of excellence toward employees and clients aligns naturally with the way we do things at Flick. Combining our decades of experience with the latest technological innovations will result in an even better customer service experience.”
