

AN ANTICIMEX COMPANY

Date: 4th October 2022

Media Release

Flick Anticimex grows its market share in Sydney through the acquisition of M&M Termite & Pest Control

Flick Anticimex continues its acquisition initiative in 2022 through the acquisition of M&M Termite & Pest Control. This acquisition strengthens the local operations in Sydney, NSW, especially across the residential service sector.

Located in the St George Area and servicing the Sydney metropolitan area, M&M is led by Ray and Geoff Milton who have been running the business for over 38 years. During this time Ray and Geoff have grown the business to be a brand name with a strong reputation. Building strong relationships in Sydney particularly amongst the residential customer base has been a crucial part of their success,

Ray and Geoff Milton, the Directors of M&M commented:

"We are excited for the opportunity to join Flick Anticimex as it represents great opportunities for us and our team. We would like to thank our past and present team, as we wouldn't have built our business to where it is today without them. It was important for us to join a company with the same passion and level of customer service. We look forward to offering our customers the latest innovative digital sustainable pest control solutions. I am very proud of the success that our business has achieved and look forward to the exciting opportunities ahead."

Shaun Azhar, Regional General Manager – Sydney Region, Flick Anticimex commented:

"I am very pleased about this merger as M&M is a renowned and well-run business based in Sydney. The relationships with residential customers formed by Ray Milton and Geoff Milton over many years have contributed to the success of M&M. We look forward to working together with the M&M team to continue a tradition of outstanding customer service and combining decades of local experience with the latest technological innovations to deliver an even better customer experience."
