Flick Anticimex grows its market share in Northern Territory through the acquisition of Territory Pest Control

Flick Anticimex continues its acquisition initiative and are pleased to announce our latest acquisition of Territory Pest Control. This strategic acquisition strengthens the local operations of Northern Territory, across both the commercial & general pest services.

Located in Darwin, NT with satellite branches located at Katherine NT, Tennant Creek NT and Alice Springs NT. Territory Pest Control is led by Mark and Cassandra Ling. During this time, they have grown the business, gaining a solid reputation and establishing a strong local brand name in Northern Territory.

Mark and Cassandra Ling, Directors of Territory Pest Control commented:

"We are excited to be joining forces with Flick Anticimex as it represents great opportunities for the business and our dedicated team. We would like to thank our past and present team, who have played a pivotal role in building our business to where it is today. It was important for us to align with a company with the same passion and level of customer service. We look forward to introducing our customers to the latest innovative digital sustainable pest control solutions that Flick offers. We are very proud of the success that our business has achieved and look forward to the exciting opportunities ahead."

Dallas Hall, Regional General Manager – North West Region, Flick Anticimex commented:

"I am thrilled to welcome Territory Pest Control, a respected and well-run business in the Northern Territory, into the Flick team. The strong customer relationships and the team's culture of excellence align perfectly with Flick's values. Together, we'll combine decades of experience with innovative technology to elevate the customer experience."

About Flick Anticimex

Flick is a strong established brand within the pest control industry in the Australian marketplace. Commencing operations in 1918 and we now have over 1,800 professional staff and service over 325,000 customer sites annually. We protect over 58,000 commercial sites and 250,000 residential customers from pests every year. We also keep our commercial customer's premises hygienically clean by servicing over 600,000 washrooms sites. Flick Anticimex is regarded as Australian's No. 1 Pest Control and Hygiene company, and New Zealand's modern pest control company. Anticimex is a global leader in pest control, driving the transformation from reactive to preventive pest control services through innovation in environmentally friendly and digital solutions. By means of in-depth biology expertise, 90 years of service experience, and its digital SMART offering, the company is creating healthier environments for commercial and residential customers worldwide.

Committed to sustainability, Anticimex protects biodiversity, reduces pest borne disease risks, and minimizes food and property loss. Operating in 22 countries with 12,000 employees, the company celebrates nine decades of continuous growth with total revenues of SEK 16.9 billion in 2024.
