

AN ANTICIMEX COMPANY

Date: 26th April 2023

Media Release

Flick Anticimex grows its market share in Sydney through the acquisition of The Pest Control Company

Flick Anticimex continues its acquisition initiative in 2023 through the acquisition of The Pest Control Company. This acquisition strengthens the local operations in South Sydney, across the Commercial service sector.

Located in Sydney, and operating in the Sydney Metro area, The Pest Control Company is led by Tommy & Maria Horozakis who have been running the business for 19 years. During this time Tommy & Maria have grown the business to be a brand name with a strong reputation in Sydney, particularly amongst the commercial customer base.

Tommy Horozakis, Director of The Pest Control Company commented:

"We are excited for the opportunity to join Flick Anticimex as it represents great opportunities for us and our team. We would like to thank our past and present team, as we wouldn't have built our business to where it is today without them. It was important for us to join a company with the same passion and level of customer service. We look forward to offering our customers the latest innovative digital sustainable pest control solutions. I am very proud of the success that our business has achieved and look forward to the exciting opportunities ahead."

Shaun Azhar, Regional General Manager – Sydney Region, Flick Anticimex commented:

"I am very happy and enthusiastic about this merger as The Pest Control Company is a renowned and well-run business based in Sydney. The relationships with residential & commercial customers formed by Tommy & Maria Horozakis over many years have contributed to the success of The Pest Control Company. We look forward to working together with The Pest Control company team to continue a tradition of outstanding customer service and combining decades of experience with the latest technological innovations to deliver an even better customer experience."
