

Commercial Operator Licence No. 15

Agricultural and Veterinary Chemicals (Control of Use) Act 1995

This is to certify that

FLICK ANTICIMEX

of:

UNIT 2/92 CENTRAL AVENUE DERWENT PARK TAS 7009

is granted a Commercial Operator Licence subject to the following conditions:

1. If any of the information provided in support of your application for a Commercial Operator Licence changes, you must immediately notify the Licensing Co-ordinator from the Department of Natural Resources and Environment Tasmania (NRE).
2. Any application of an agricultural or veterinary chemical carried out by your business, must be completed by a person who holds a Certificate of Competency issued by the Registrar of Chemical Products from NRE. Any employee who holds a provisional Certificate of Competency must only spray whilst being supervised in accordance with the requirements specified in the supervision policy issued by the Registrar. Only the Registrar can issue a Certificate of Competency and it must be appropriate for both the chemical applied and the mode of application.

Other conditions may be set at any time.

This licence remains valid for one year from:
