Wall Mounted Waste Paper Bin

Wastecare

Wall Mounted Waste Paper Bin

Enhancing the contemporary washroom with many innovative features. Purpose designed and developed in New Zealand, the unique Wastecare bin combines style and function in one easy to use product.

Unique bag removal and replacement system ensures quick and easy servicing. Fragranced, degradable Multiliner bags in convenient 25 liner rolls are housed in the base of the bin, improving waste management in the washroom.

Easy to use manual compactor is designed to increase waste volume per liner by up to 3 times.

Large 40 litre capacity to prevent overflow and extend service intervals.

Wall mounted for easy cleaning under and around the unit. Chemical resistant chute area removable for cleaning.
